

FAMILY EMERGENCY PLAN

THE _____ FAMILY

Follow the steps below and discuss the plan with your family. If anything should ever happen, it's important that everyone is on the same page and knows where to look for important things that may be necessary.

Things you'll want to discuss include:

- **Escape routes and meeting places**
 - **Plans for children and minors**
 - **Health needs**
 - **Important contacts**
 - **Plans for pets**
 - **Risks in your area**
- **Location of documents and important information**
- **Location of fire extinguisher, water valve, electrical panel, gas valve and floor drain**
